Spot Award

Srikanth Kotakonda

YOU'RE BEING RECOGNISED FOR:

Collaboration

Your contributions are recognised and appreciated!

You earned this because:

Srikanth was given with the task of creating User Guide & Running tests for EIS on cabin systems. Even though he was new to this program he has stretched out and supported to achieve the milestones on time. He is also actively supporting with skimming and correction of TP's to save the execution time. Thanks Srikanth for your Dedication & Support !!
